Song at the LOYAL FEAST in Westminster-Hall, *August* the *6th.* 1685.

HAIL Sacred Pile! the Antient Seat of Loyalty and Law, the Source and the Fountain whence

Justice does flow. Tribunal of Actions to humble the Factions, and keep the proud Rebel in Aw.

:c:

The Gods now have sent thee, Peace, Conquest, and Plenty. Then in Feasting & Mirth our Al le-

giance we'll shew, till our Joys like our Glasses all measures o'erflow. Down from their bright

Sphere Boys, to Revel it here Boys, The Banqueting Gods in their Chariots descended; Bright *Juno*

late Crowned here, Great *Jove* was Enthroan'd here, the Goddesses round in a Consort attended

No *Ceres* was scanting, nor *Bacchus* was wanting to fill up the Joys of that day; Then the Glasses

let fly there, till they mount to the Sky there, the Gods and Great *Cæsar*, the Gods & Great

:c:

Cæ-sar, Great *Cæ-sar* have shew'd us the way. Chorus. *Then a Health to Great* JAMES *whom*

kind Heav'n did Restore us, through Battels, through Seas, and through Fire; The Angels that

Guard Him, will joyn in a Chorus, *and Crown ev'ry Class with a Quire. Then a Health*, &c.

With Conquest Crown'd, fresh Conquest Crown'd,
[Great *Cæsar* fills the Throne,
A *Sword* is His *Scepter*, and *Lawrels* His Crown.
Rash *Phaeton* Erring,
The World with aspiring,
Too high with his *Steeds* overthrown;
The Caitif forsaken,
A Captive is taken,
See, their *Catalin's* Vanquisht, the *Plebeians* are flown,
And the *Faction's* great *Dagon* is now tumbl'd down;
See, their Catalin's *Vanquish'd*, &c.
Down falls the proud *Babel*,
The Head of the *Rabble.*

Great JOVE at His Feet has the *Cyclops* subjected,
And brought the *Slaves* under,
Struck dead with His *Thunder.*
Confirm'd in His *Throne* by His *Valour* protected,
No more the proud *Hogan*,
On the Seas shall be *Mogan*;
Our JOVE does the *Monsieur* despise,
What Foe dare upbraid Him?
What *Power* Invade Him?
[dust,
Where *Courage* with *Conduct*, where *Courage* with *Con-*
With *Conduct* makes *Conquest* His prize.
Then a Health to Great JAMES, &c.

Sold by *Nath. Thompson* at the Entrance into *Old Spring-Garden* near *Charing-cross*, and by *John Crouch* at the *Three Lutes* over against the *Dog Tavern* in *Drury Lane.* 1685.
